

LOWER PSYCHISM

Type of Affliction / Entity	Frequency of Attraction	Number Possible	Comments
			impending storm systems or the conducting of <i>séances</i> —can attract these.
FIRE LEECHES	Dark Rituals	1	A fire leech is one kind of astral leeches, semi-intelligent beings that attach to “drink” a person’s life force. Attracted by low-vibrational-energy thoughts, these usually attach at the base of a person’s neck.
	Spirit Summoning	1	
EARTH LEECHES	Spirit Summoning	1	An earth leech is one kind of astral leeches, semi-intelligent beings that attach to “drink” a person’s life force. Attracted by low-vibrational-energy thoughts, these usually attach at the base of a person’s neck.
	Channeling	1	
CANCER EARTH ENERGIES	Channeling	1	Imbalances of the chakras attract these non-intelligent energies. Cancer Earth Elementals are attracted by sexual excess and gluttony—and full-moon influences. Rage, fear & other emotional imbalances; medications & physical weakness can be precursors. The extremely low frequency of these can cause cancer and other illnesses. ³
	Spirit Summoning	1	
AHRIMANIC	Lower Psychism	2	From “Ahriman” (Persian): the spirit of Evil in Zoroastrianism. These forces are inspired by the desire for material possessions instead of development of spiritual virtues. Soul expression is sacrificed for the need to make money. There may be fear of loss of power or money. Ahrimanic pervade mainstream medicine.
REPTILIAN	Channeling	3	Often found near water (especially stagnant water), these entities can be very powerful and hard to remove. Common symptoms include hostility, various aches & pains, depression & agitation. There can be weepiness, insomnia, and thoughts of suicide as well.
	Lower Psychism	1	
UFO ENERGIES	Channeling	3	These energies have elements of intelligence about them. This increases weakness in the person’s physical body. There can be actual UFO entities involved who “monitor” and/or “mark” people, and this shows up when dowsing as UFO energy. These can cause insomnia and personality problems.
	UFO Channeling	1	It is dangerous to “channel” UFO entities—especially at night, which is

³ “I have never seen a case of cancer or any serious chronic illness where the person did not have human [earthbound spirits of human origin] and non-human spirits attached. The weakness of the aura attracts more spirits after illness occurs.” (*Learning the Secret...*, by Linda L. Greene, p. 4.)
